The undersigned Applicant represents that I/we are aware that the Proprietary Lease Agreement allows for the Corporation (the Lessor) to have all the apartment entrance door keys to my/our apartment at all times.

While the Corporation is not responsible for the loss or misuse of these keys, the Corporation has provided a secure area for the retention of these keys and they are to be utilized in the case of an emergency only and only after all attempts to contact the residents have been exhausted.

By my/our acknowledgement of this form, I/we herein agree that I/we will supply a complete set of keys to my/our apartment to the Superintendent immediately. If any lock is altered or changed at any time thereafter, I/we will notify the Superintendent and immediately provide a new key thereto.
